

An invitation to bring healing and community change in response to tragedy

Making the Dream a Reality

"What you leave behind is not what is engraved in stone monuments but what is woven into the lives of others." –Thucydides

We remember the life and legacy of Philando Castile on the commemoration of

his passing this July 6th. His memory and lasting impact on the Falcon Heights community lives on through his mother Valerie's activism, community reforms, and through the Peace Garden honoring his love and generosity. Gone, but never forgotten.
